Dear Madame/Sir

The Soccer Club of Toronto is a not-for-profit, volunteer based, community run youth soccer club. We have been operating in the Central/South area of Toronto since 1997. The Club has grown tremendously over the years from 200 participants in 1997 to over 2500 participants in 2015.

We provide houseleague, All-Star and Rep soccer for children between four to eighteen years of age. Our summer league operates with over 2,500 participants and our winter league services over 800 participants, which represents about 180 house league teams in the summer and about 60 house league teams in the winter. We also offer a soccer academy and soccer camp, which services an additional 500 kids. This is all made possible by the dedication of our 400 volunteers. We are also very proud that our girl's soccer program continues to grow and currently represents one-third of the participants in our Club.

Our Club also operates an All-Star/Rep program of over 30 teams in all age groups in the Central Soccer League, Central Girls Soccer League, Toronto District Youth Soccer League and Toronto Youth Development All-Star League. Our Club is a member of the Toronto Soccer Association and the Ontario Soccer Association. Our All-Star/Rep teams compete with various other teams within the southern region of Ontario and have won numerous divisional, cup and tournament championships since 1997.

Sponsors play a key role in the success of our All-Star/Rep program and your contribution is truly appreciated. Your contribution will help offset the fee associated with playing at this competitive level thereby making it more affordable to all participants.

The cost to sponsor an All-Star/Rep team is \$1000.00. With your sponsorship, your company name and logo will be advertised on a jersey of an All-Star/Rep team. Your company will receive a team photo/plaque together with a jersey as a memento of your sponsorship and the Club will issue your company a tax receipt.

The Soccer Club has seen, over the years, a tremendous increase in the membership and demand for soccer programs. This can be attributed to the excellent support our Club receives from our dedicated volunteers and generous sponsors, as well as to the quality of the delivered programs.

We encourage your company to sponsor our rep team for the summer of 2016 thereby creating goodwill within the community as well as promoting corporate participation in the development of soccer programs.

Please contact me in order for us to further discuss our programs and your partnership with us.

Thank you for your time.
