January 1st, 2019

Dear Madame/Sir

The Soccer Club of Toronto is a not-for-profit, volunteer based, community run youth soccer club. We have been operating in the Central/South area of Toronto since 1997. The Club has grown tremendously over the years from 200 participants in 1997 to over 2500 participants in 2020. We will field approximately 240 house league recreational teams in 2019 for kids 4 to 18 years of age.

Our summer House League operates with over 2,500 participants and our winter league services over 800 participants, which represents about 180 house league teams in the summer and about 60 house league teams in the winter. We also offer soccer academy and soccer camp which services additional 500 kids. This is all made possible by the dedication of our 400 volunteers. We are also very proud that our girl soccer program continues to grow and currently represents one-third of the participants in our Club.

Sponsors play a key role in the soccer in the success of our House League. Your contribution will help keep the registration fee affordable for all our participants. Many families would not be able to allow their children to participate without our sponsor's contribution.

The cost to sponsor a House League Team is \$400.00. With your sponsorship, your company name and logo will be advertised on the game jersey of one of our 240 teams. Your company will receive a team photo/plaque together with a jersey as a memento of your sponsorship and the Club will issue your company a tax receipt.

The Soccer Club has seen, over the years, a tremendous increase in the membership and demand for soccer programs. This can be attributed to the excellent support our Club receives from our dedicated volunteers and generous sponsors, as well as to the quality of the delivered programs.

We encourage your company to sponsor our house league for the summer of 2020 thereby creating goodwill within the community as well as promoting corporate participation in the development of soccer programs.

Please contact me in order for us to further discuss our programs and your partnership with us.

Thank you for your time.
